PRESS RELEASE

FOR IMMEDIATE RELEASE

From: Hunt County Judge

Date: 11/18/2020, 8:30 AM

Re: 115 New Positive COVID-19 Test Results in Hunt County and 1
New Death

115 new positive test results for COVID-19 were reported in Hunt County on November 16 and 17, 2020. November 16th's results included 23 new cases and one death spread over November 14-16. The remaining 92 cases were reported on November 17. The Hunt County Health Department completed an initial investigation and determined that the individuals in question reside in Hunt County. The general information for the 115 new patients is below. Hunt County will include up-to-date hospital numbers in the daily report.

The new cases are from the following areas: Greenville 75402 – 39; Greenville 75401 – 28; Quinlan 75474 – 18; Caddo Mills 75135 – 8; Lone Oak 75453 – 5; Celeste 75422 – 5; Campbell 75422 – 4; Commerce 75428 – 2; West Tawakoni 75474 – 2; Royse City 75189 – 1; Wills Point 75169 – 1; Wolfe City 75496 – 1; Royse City 75189 – 1.

Tracked Case No. 1804, a 65+ Male from Quinlan, passed away on November 15, 2020.

Each day, the County will release and post on its website a new set of numbers and charts showing the total number of cases, including the status and ZIP Codes of those cases. The state's website includes a map which may be accessed at "dshs.state.tx.us/coronavirus" by clicking on the "Texas Case Counts" link.

The State's COVID-19 fatality numbers exceed the locally-reported numbers of deaths. The State's reporting can be accessed by clicking on "Fatalities over Time by County" on www.dshs.state.tx.us/coronavirus/additionaldata. As of this evening, the state shows 53 COVID-19 fatalities of Hunt County residents. This divergence is due to the way the State calculates COVID-19 deaths, which in part uses death certificate information not yet available to the County. When Hunt County releases its morning reports, it will show the number of State-reported deaths (53), the number of deaths certificates filed with the County (including non-citizen deaths) (50), and the number of County-citizen deaths that the County Health Department has been able to independently confirm (36).

New Hunt County COVID-19 Tracked Cases, as of 10:00pm November 16, 2020 (covering 11/14-11/16): “RAH” means “Recovering at Home,” “HOSP” means “Hospitalized,” “(R)” Means “Reassigned,” and “DECD” means “Deceased.”
