

**CITY OF COMMERCE - PUBLIC NOTICE
ADDITIONAL 2021 MOSQUITO SPRAYING**

The City of Commerce will be doing some additional spraying for mosquitos in an effort to reduce a significant health risk to our community during the months of May through September. **We will do additional spraying the week of Monday, October 18th through Thursday, October 21st using a truck-mounted fogger.**

The fogging unit's output is calibrated to ensure the correct amount of product is applied for each treatment area. All products are registered with the Environmental Protection Agency (EPA) and are applied by a trained and state-certified technician.

The spraying is more effective if it takes place during peak mosquito activity hours. Mosquitos are most active around dusk. Spraying will begin around 7:00 p.m., weather permitting, and will continue in each area until it is completed. In the event of rain, the spraying will resume on the next scheduled day in your area.

SECTION A – MONDAY
October 18th
Borders the north side of Live Oak and the west side of Park Street
SECTION B – TUESDAY
October 19th
Borders the north side of Maple Street (Highway 11) and the west side of Park Street

October 20th
Borders the south side of Culver Street, east side of Park Street and south side of Maple Street (Highway 11)
SECTION C – THURSDAY
October 21st
Borders the north side of Maple and the east side of Park

THIS PRODUCT IS EXTREMELY TOXIC TO FISH. FISHPONDS SHOULD BE COVERED WHEN SPRAYING IS SCHEDULED IN OR NEAR YOUR AREA.

The chemicals are of low toxicity to people and pets, but they are pesticides and direct contact should be avoided. Be sure to bring in pet bowls prior to spraying. Please stay indoors when the truck is in your area. The chemicals will not be sprayed if the driver sees residents outside.

Questions or comments should be addressed to the Public Works Department at 903-886-1152.
